Department Of Labor:

I urge you NOT to approve the Department of Labor's (DOL's) proposed retirement rule that would limit my ability to trade listed options in my IRA.

I am a self directed conservative investor and invest in my IRAs using safe low risk option strategies such as Covered Calls and 100% Cash-Secured Puts.

Please do not pursue this rule any further.

I urge you to preserve the freedoms American investors currently enjoy to choose how we invest in our retirement accounts.

Sincerely,  
Lee Walker
